

Compliment the beauty of your backyard's natural environment with the sights and sounds of your favourite birds. Invite them to enjoy the food that's been carefully designed to meet their needs. Ensuring they are healthy, happy and feeling right at home.

THE ARMSTRONG DIFFERENCE

SCIENTIFICALLY DEVELOPED FOOD:

- Our bird food has been scientifically developed to attract your favourite species of birds.

WBFQ QUALITY STANDARDS:

- All of our products adhere to the Wild Bird Feeding Industry standards that ensure birds are provided with healthy and natural food.

SPECIALIZED PACKAGING:

- Hermetically sealed barrier packaging, equipped with an oxygen moderating fresh valve, keeps the food much fresher, much longer and virtually eliminates the chances of any infestations.

100% CANADIAN:

- We know exactly what the birds in your backyard require as well as the environmental conditions that influence their behaviour. We're proud to be Canadian owned and operated since 1986.
